VIP Unlimited Wash Clubs

Wash more
pay less!

Fast. Clean. Green.

207 Tapleys Hill Road, Seaton

Unlimited Washes! Unlimited Quality!

If you love the idea of a shiny, clean car and you appreciate the convenience washing your car as often as you want, then our Softtouch Speedwash VIP Wash Club is for you!

For one low monthly fee, you can put your car through the fast, clean, green Speedwash tunnel anytime during the month. You could wash once a week, twice a week, hey, you could wash your car every day if you liked and the VIP Wash Club fee represents outstanding value for regular car washers. Not only will your car always be clean and shiny, you'll also be protecting the duco on your vehicle and provide your wheels and tyres with a regular clean.

FAST – it takes less than 4 minutes to complete the entire wash, polish and dry cycle.

CLEAN – the revolutionary cleaning system is soft and gentle, guaranteed not to scratch while delivering an end result that needs to be seen to be believed – everyone who experiences the Softtouch Speedwash is amazed at how their car looks once it's been through the Speedwash tunnel.

CONVENIENT – as a VIP Wash Club member, there's no need for cash or payment, your fees are billed automatically every month.

GREEN – we recycle 100% of the water used in the tunnel and every aspect of the wash is environmentally responsible.

This facility is state-of-the-art combining world's best practice technology and intelligent computer controlled systems.

How it works

Stop at the automated pay station at the entrance to the Softtouch Speedwash tunnel at our brand new facility at 207 Tapleys Hill Road, Seaton. Follow the instructions you'll see and hear at the automated pay station. When prompted, choose the "Join Wash Club" option and then select your preferred Wash Club package. You will be asked to swipe your credit card which will automatically deduct the first months fee, allowing you instant access to member benefits. A written receipt will be printed by the pay station. Show this to the attendant when you enter the Speedwash tunnel.

An ID tag will be discreetly attached to the top of your windscreen. Our computerised system then recognises this tag when you approach the wash tunnel, allowing you to proceed directly into the speedwash. It's the fastest, easiest and most convenient way to enjoy the long-lasting benefits of Softtouch Speedwash.

What does "unlimited" mean?

When you sign up to the VIP Wash Club, you can get one wash every 24 hours as many times as you would like within a month. We are open 8am – 6pm subject to weather conditions. Closed Good Friday and Christmas Day.

What if I sell my car?

Just let us know as soon as you can and we will terminate the RFID tag from our system and re-issue you with a new identification tag for your new vehicle so you, and your new car, can continue to enjoy the unique speedwash experience.

How will I be billed?

Monthly fees are automatically deducted from your credit card. The agreement continues until terminated either by you or Softtouch Speedwash. To cancel your membership, advise us in writing, within 30 days of your next billing date. The ID tag will be cancelled from our system from that date and can be removed from your vehicle. Refunds or credits are not given for partial periods. Make a note of your regular Softtouch Speedwash payment date for future reference. Check your statements for this information.
